

## **April 12th, 2005 - home of Dick Gibson**

Attendees - Janice Hogan, Kelly Rose, Dick Gibson, Irene Scheidecker, Mitzi Rossillon, Bob Benson, Toni Seccomb and Andrea Stierle. Meeting Moderated by Janice Hogan.

**New Cultural Center Proposal for the Original Mine Yard** - After discussion Irene made a motion that BCPR write a positive sounding letter in opposition to the proposed new cultural center. Andrea seconded and offered to write the letter. Motion passed.

**Demolition** - the city demolished a building on East Park which we were not allowed to salvage due to it's dilapidated condition. We should attempt to find out what buildings are slated for demolition in the near future as we may want to either do salvage or oppose their demise. Paying taxes for the O'Rourke should be on next month's agenda.

**Newsletter** - Irene needs an article on the "Dust to Dazzle" tour. Bob Benson volunteered to write one. The date for the tour is set for July 9th. The committee will get guidelines to the home owners. A need for at least one more liaison person exists. The fee for the tour will be \$10 for one ticket or \$15 for two. The \$10 tickets will be a different color from the \$15 tickets so moneys from sales can be easily accounted.

**501-3C** - We are officially incorporated. Our name is BCPR inc. We have a tax ID # but we do not have a 501-3C #. As we grow and acquire funding exceeding \$5,000 , we will have to get a 501-3C #.

**BIF Com** - Kelly reported getting calls for grant forms after the article in the newspaper appeared. She also had a call from Bud Walker requesting a letter to the Realtors regarding their donation of \$500. He will present it at their next meeting. Andrea received a communication regarding grants from the National Parks Service from Chris Whitacre.

**Mainstreet/Uptown dues** - A motion was made and passed to pay our dues and remain a member of Mainstreet/Uptown.

Mitzi said the couple whose gate was stolen wants support for getting the city to enforce and update the ordinance regarding pawn shops, 2nd hand stores and antique stores regarding reporting on how and from whom items were obtained . Bob volunteered to write a letter to the judiciary committee of BSB delineating what other communities have done to protect both buyers and sellers.

Meeting adjourned

Next meeting May 10th at Bob Bensons' house, 824 W. Quartz.
